Proceedings of the Meeting of the Anti Ragging Cell dated
01.07.2017 at 2 p.m. at the Conference Room of the College

At the outset Principal welcomed all the members and informed the modalities of this particular cell.

1. Arrival of the newly admitted students

Principal reported that the newly admitted students will be arriving at the hostel shortly and requisite measures to maintain the tradition of No Ragging History at the college since its establishment are ensured.

2. Orientation of the new students

It was proposed that newly admitted students should have an orientation programme that will help them the do's and don'ts of the college and keeping in mind the vastness of the campus area, they should also be made aware of where to go and where not go.

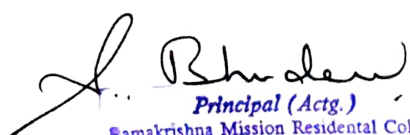

3. Awareness of 'No Ragging History' (NRH) of the college

All the members opined that the college has its glorious history of no ragging since its establishment. The very ethos of the institution train the young minds in such a way that perhaps, they never fall in trap of such activities. However, despite that, it was proposed that all students should be made aware of this tradition in the prayer hall by the monastic superintendents.

4. Filling up declarations and other related forms

Principal reported that declarations forms have been filled up by the students during admission.

5. Miscellaneous : It was proposed that CCTV be installed in the hostel area.
