3. Result of UG Sem-II, IV and VI and PG Sem-II and IV, 2018

- Results were paced by the Vice Principal and the Departmental Heads analysed the performance of the students.
- Discussions held to map the learning outcomes. Regarding the attainment of Graduate attributes, Departmental Heads and the administration agreed on the following points :

- Students, at the time of their passing out from this institutions are found attained following major attributes :

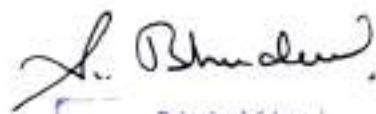

- Analytical skill
- Art of communication
- A strong grip on the basics of his subjects
- A firm grounding of the knowledge and skill so that they become employable and/or capable to progress for higher studies
- Self confidence to face the outside world
- A deep sense of fellow feeling
- A holistic and positive approach towards life
- An urge to practice in the life the art and skill of 'Service and Sacrifice' as envisioned by Swami Vivekananda.

- It has been observed that over the years the progression to higher studies from undergraduate to post graduate levels stands between 90% to 100%, while in PG levels it is between 60% to 75%. In case of job-placement it has been observed that UG level students do hardly want to go for jobs, although it has been found that if they opt for jobs, almost 70% may get it. In PG levels, it has been found that within two or three years after passing out almost 60-70% students are placed in job markets or in research activities.

4. More stress on MOOCs
