West Bengal.

Dear Dr. Sadhukhan,

In reference to your letter dated 16.02.2020, I am elated to be part of the research collaboration with you on **Neutrino Floor: Dark Matter Direct Detection**, for an extended period starting from February, 2020. I would be glad to collaborate with you as the proposed idea is very interesting.

With best wishes,

(Manvinder Pal Singh)
Fellow, University of Delhi,

Doctoral
Delhi, India

PhD Supervisor: Dr. Sukanta Dutta, SGTB Khalsa College,

06.03.2020

Dear Dr. Sadhukhan,

In reference to your letter dated 27.02.2020, I accept your proposal for research collaboration on **Role of Charged Scalars in Neutrino Physics**, for an extended period starting from April, 2020. I would be happy to collaborate as you are quite an expert in this field and can contribute significantly in this topic.

With best wishes,

Ujjal Kumar Dey,

Dear Dr. Sadhukhan,

In reference to your letter dated 26.02.2020, I accept your proposal for research collaboration on the project **Leptogenesis: Role of Effective Operators**, for an extended period of time starting from April, 2020. It is my pleasure to collaborate with you as you already have some expertise on this topic. I look forward to start the collaboration. Thanking you.

With best regards,

Tanumoy Mandal
