Subject : Appeal for Contribution for Safe Home at our College Hostel Campus

Dear Devotees / Well wishers / Ex-students,

Since the Covid-19 pandemic situation is turning grim day-by-day with its surge at the second wave all over the country, Ramakrishna Mission Ashrama, Narendrapur has felt to come out with all its efforts in serving the afflicted multitude amidst this death-threatening scenario.

With this objective, Ramakrishna Mission Ashrama, Narendrapur and Rajpur-Sonarpur Municipality have jointly decided to set up a Safe Home at Gouranga Bhavan of the College campus.

It goes without saying that the generous contributions from all corners of society have always helped Ramakrishna Mission to dedicate its service in all types of calamities.

Although we are receiving assistance from Government Administration in this regard, still for setting up the Safe Home and maintaining the entire system, we appeal to all our beloved ex-students, devotees and well wishers to come forward and extend their cooperation.

We need financial assistance mainly for two broad areas : a) Logistics Support, b) Oxygen Supply in form of cylinder or concentrator.

This is to further mention that the setting up of the Safe Home at the college hostel premises is very much ongoing and we expect that we will be able to start it during the end of May 2021.

While the Safe Home will be entirely free of cost, the admission and allotment of beds etc will be conducted by the Government-entrusted Statutory Authorities following the covid protocols.
