A Scientific Industrial Research Organisation by DST, Govt. of India

College with Potential for Excellence (CPE), RE-accredited by NAAC – 'A' (CGPA 3.56 out of 4)

## Sub: Our Condolences

The monastics, faculty, staff, and alumni of Ramakrishna Mission Residential College Narendrapur deeply mourn the passing away of Dr Amalendu Banerjee on 9 September, 2021. Dr Banerjee was not only an exceptional teacher but also an affable, kind, virtuous person who radiated a positive influence on all those people who came in touch with him.

Dr Amalendu Banerjee taught Chemistry to students of this college for over 22 years from 1984 to 2006. He did it as a service to Sri Thakur and refused to take any honorarium during this period. Students and faculty members of the chemistry department will always remember his outstanding and innovative ways of teaching. Furthermore to encourage academic excellence amongst the students he also instituted two awards in this college: i) Late Krishna Kumar Banerjee Memorial Award for the topper of Chemistry and ii) Annapurna Banerjee Medal fund for highest marks in Physics. In him we have lost a great academician and noble gentleman.

Our prayers to Sri Sri Thakur, Maa and Swamiji to bestow eternal peace onto his soul and to provide strength and succour to his bereaved family to bear this irreparable loss.

Principal
