Our Deepest Condolences

The monastic members, the faculty, the staff, and the alumni of Ramakrishna Mission Residential College, Narendrapur, deeply mourn the passing away of Dr Pravat Kumar Mandal on 18 December, 2021. Dr Mandal was the former HoD and Professor of the Department of Chemistry of our college.

Dr Pravat Kumar Mandal taught Chemistry to students of this college for 30 long years from 1966 to 1996. He was a student of Ramakrishna Mission Calcutta Students' Home, Belgharia, and was the recipient of the prestigious Premchand Roychand Scholarship for his academic excellence. Dr Mandal was an ardent devotee of the Holy Trio which was evident to the people around him from his words and deeds. All through his life he was actively involved in philanthropic activities. In him we have lost a great scholar, an academician and a paragon of virtue.

Our prayers to the Holy Trio, Sri Sri Thakur, Maa and Swamiji, to bestow eternal peace upon his soul and to provide strength and succour to his grieving family to bear this irreparable loss.
